Thank you for all the support so far! We are almost at our goal!!!

On this national day of giving, I'm doing a fundraiser for Spirit, a Cape Cod based, medal winning, winter percussion ensemble. All facebook donation fees are waived today so its a great day to give!

My oldest son made it into the group this year, and I'm excited and grateful for all that he is learning. Also known as "The Sport of the Arts", Winter Percussion teaches teamwork, discipline, pushing yourself physically, respecting yourself and others (all things learned in team sports). But it also teaches musicianship, rhythm, stage presence and storytelling. This combination of athleticism and artistry is a powerful force in forming well-balance kids that are prepared for life. What more could I, as a parent of three sons, want??

I would be so grateful for any donation you might be willing to give towards Spirit Winter Percussion (which is a part of the Arts Empowering Life Foundation.)

Thank you for your generosity to this group that has been so generous to so many kids from Cape Cod and beyond.

For my birthday this year, I'm asking for donations to Spirit Winter Percussion (part of the Arts Empowering Life Foundation) I've watched this group impact the lives of so many young people, helping them grow into respectful, generous adults, and I want to help support it's mission and outreach.

Thank you for considering a gift! It would mean a lot to me!

Hi everyone! This [#GivingTuesday](#) I would be so grateful for your consideration of a gift in support of Spirit Winter Percussion, an organization that is near and dear to my heart. Every donation makes a difference, and on Giving Tuesday (Nov 27) Facebook and PayPal will match a total of \$7 Million in donations RIGHT at 8 A.M EST.

Spirit is a competitive youth percussion ensemble that two of my sons are part of.

Through the mediums of percussion, theatre and dance my boys and many others are being taught the value and beauty of team work, passion and excellence.

As a parent in the digital world we live in today I'm so grateful for a program that offers my kids a human connection and that emphasizes and teaches life skills like problem solving and conflict resolution. Dedicated staff, volunteers, friends and family all give the gift of their time and talent and I'm so grateful my sons have this opportunity, and for the impact this program is having on young people.

Thank you for your support which will go towards the development of this season's show which offers this powerful and needed message to youth across the country who will see it:

You bring a unique color and gift to the world!

Be bold! Be you!

Don't change to fit in!

Dear Friends,

So thankful for everyone's support in the past for Spirit Winter Percussion, a youth organization that for over 15 years has had a huge impact on young people, including my sons. .

I've seen kids learn to work together to resolve conflicts, solve problems, help each other be their best, hold each other accountable to a standard of excellence, care for each other and become a family, all while doing an activity that is artistic and athletic. This SPIRIT comes through when they perform and impacts the 1000's of people who see them every year. As a parent, what more could I ask?

I'm so grateful for what the world class staff and dedicated volunteers stand for and teach. Please join me in supporting Spirit this Giving Tuesday, Dec. 3rd!
